# Reed R7400 Caliper, Digital 0-6in/0-150mm

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Reed R7400 Caliper, Digital 0-6in/0-150mm

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-01133

**Availability:** In Stock

## Description

The REED R7400 is a rugged digital caliper built from hardened stainless steel, giving you precise inside, outside, depth, and step measurements from 0-6 in (0-150mm). Its large 6-digit LCD lets you switch instantly between inches and millimeters, while a locking slide and zero-set button keep readings steady and repeatable. An auto shut-off feature helps extend battery life for everyday shop or field use.
