Reed R8000 Measuring Wheel, Distance

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8000 Measuring Wheel, Distance

Manufacturer: Reed Instruments

Model: MEA-REE-01135

Availability: In Stock

Description

The REED R8000 is a heavy-duty 12.5 in distance measuring wheel built for job sites and roadway surveys. It features a telescopic handle, ergonomic pistol grip, and a backlit LCD that adds distance while walking forward and subtracts in reverse, with internal memory that stores up to 5 readings. A spring-loaded kickstand and carrying case make it easy to transport and set down between uses.
