Reed R8004 Laser Distance Measurer 131ft, 40m

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8004 Laser Distance Measurer 131ft, 40m

Manufacturer: Reed Instruments

Model: MEA-REE-01136

Availability: In Stock

Description

The REED R8004 is a compact one-handed laser distance meter that measures up to 131 ft (40m) with a backlit multi-line LCD. Beyond simple length readings, it can calculate area, volume, and the sum of multiple measurements, and it stores up to 30 readings along with max/min values. It's a handy tool for quick, accurate room and jobsite measurements without a tape measure.
