Reed R8010 Laser Distance Measurer 328ft, 100m

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8010 Laser Distance Measurer 328ft, 100m

Manufacturer: Reed Instruments

Model: MEA-REE-01138

Availability: In Stock

Description

The REED R8010 laser distance meter extends measuring range up to 328 ft (100m) with a bright multi-line LCD showing distance, area, and volume calculations simultaneously. It supports addition/subtraction, indirect Pythagorean measurements, and continuous measurement mode, storing up to 20 readings in memory. Its IP54 dust- and splash-proof housing makes it durable enough for regular outdoor and jobsite use.
