Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed-INSPECT-KIT Home Inspection Kit

Manufacturer: Reed Instruments

Model: MEA-REE-01153

Availability: In Stock

Description

A grab-and-go inspection bundle built for home inspectors and DIY buyers, combining an infrared thermometer, a digital psychrometer, pinless and pin-type wood moisture meters, and a laser distance meter in one carrying case. It lets you check surface temperatures, humidity, moisture intrusion, and room dimensions during a single walkthrough without juggling separate tools. A padded soft case keeps every instrument organized and protected between jobs.
