Reed RINDUST-KIT Industrial Combo Kit

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed RINDUST-KIT Industrial Combo Kit

Manufacturer: Reed Instruments

Model: MEA-REE-01154

Availability: In Stock

Description

A rugged plant-maintenance kit pairing a true-RMS digital multimeter, an AC clamp meter, a non-contact voltage detector with flashlight, and an infrared thermometer, all housed in a hard case with custom foam cutouts. It covers the everyday electrical and temperature checks industrial and facilities technicians need in one durable package. Includes thermocouple accessories and a safety test lead set for extra versatility.
