Reed CA-05A Carrying Case, Soft 9"X4"X2"

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed CA-05A Carrying Case, Soft 9"X4"X2"

Manufacturer: Reed Instruments

Model: MEA-REE-01165

Availability: In Stock

Description

This medium-sized polyester carrying case accommodates larger handheld instruments and includes an adjustable shoulder strap and belt hook for hands-free transport. A separate side pouch keeps probes, leads, or other accessories organized alongside the main compartment.
