Reed R1500 Tripod W/ Instrument Adapter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1500 Tripod W/ Instrument Adapter

Manufacturer: Reed Instruments

Model: MEA-REE-01167

Availability: In Stock

Description

A lightweight, expandable aluminum tripod that extends up to 56 inches and folds down to just 20 inches for easy transport. It includes a bubble level, a quick-release plate, and a specialized adapter that lets you mount instruments without a built-in tripod thread, making it ideal for long-term data logging and monitoring setups.
