# Reed R8888 Hard Carrying Case With Customizable Foam

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Reed R8888 Hard Carrying Case With Customizable Foam

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-01168

**Availability:** In Stock

## Description

A rugged, injection-molded hard case built to protect sensitive test instruments during transport and storage. The customizable foam interior can be cut to fit your specific tools, while an O-ring seal, pressure equalization valve, and double latch-and-lock system keep contents secure and watertight.
