Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8890 Hard Carrying Case With Customizable Foam Int, 15.7"X12.6"X7"

Manufacturer: Reed Instruments

Model: MEA-REE-01170

Availability: In Stock

Description

A larger version of Reed's professional hard carrying case, sized to fit bigger instrument kits at 15.7 x 12.6 x 6.7 inches externally. Like its smaller sibling, it features cut-to-fit customizable foam, a watertight O-ring seal, a pressure equalization valve, and a secure double latch-and-lock closure.
