Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya G35001 Thumb Release Aluminum, Pole Or Rod Bipod

Manufacturer: Muya
Model: SUR-MUY-01240
Availability: In Stock

Description

The G35001 is a two-leg aluminum support stand for prism poles, GPS/GNSS rover rods, and total-station rods, using a thumb-release clamp on telescoping struts for tool-free height adjustment, extending to about 180cm.
