Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

# Muya G35005 Thumb Release Carbon Fiber, Pole Or Rod Tripod

**Manufacturer:** Muya  
**Model:** SUR-MUY-01243  
**Availability:** In Stock

## Description

The G35005 is a three-leg carbon-fiber stand sharing the same thumb-release mechanism and extension range as the aluminum tripod, offering lighter field weight for GNSS/RTK setups.
