Muya G62006 Anodized Aluminum Pole Bracket With Stainless Steel Clamp Screw

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya G62006 Anodized Aluminum Pole Bracket With Stainless Steel Clamp Screw

Manufacturer: Muya
Model: SUR-MUY-01264
Availability: In Stock

Description

The G62006 is a black-anodized aluminum open-clamp pole bracket with a quick-release button and a stainless-steel clamp screw; depressing the button lets the cradle rotate into a comfortable viewing position, fitting poles of roughly 0.75-1.25 inch OD.
