Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya G33616 Head Up Vial Assembly & Adjustable Clamp System

Manufacturer: Muya
Model: SUR-MUY-01270
Availability: In Stock

Description

The G33616 is a head-up vial assembly with an adjustable clamp system, positioning the level bubble at eye height on the pole for easier reading while the clamp secures the pole section.
