Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya G21019 Heavy Duty Fiber Glass Flat Head Dual Lock Tripod, Black

Manufacturer: Muya
Model: SUR-MUY-01314
Availability: In Stock

Description

The G21019 is a heavy-duty fiberglass tripod with a machined flat instrument head (5/8x11 mount) and a dual-lock leg system combining an upper quick clamp with a lower wing screw, extending to roughly 1.77m, built for robotic total stations and theodolites.
