Product Overview

Muya BGG-33 3m Telescopic Aluminum range pole with tip, 50cm red, 1m pole each

Manufacturer: Muya
Model: SUR-MUY-01343
Availability: In Stock

Description

The BGG33 is a sectional aluminum range pole in alternating red/white 50cm bands, made of three roughly 1m sections that join to a full 3m length with a steel-tipped base, used for sighting survey lines and marking station positions.
