

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya Survey Umbrella, 1.8m

Manufacturer: Muya
Model: SUR-MUY-01354
Availability: In Stock

Description

This is a large field survey umbrella, roughly 1.8m span, used to shade a total station, level or GNSS setup from direct sun and light rain, reducing thermal drift and protecting electronics.
