Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1050-Kit Safety Test Lead Kit

Manufacturer: Reed Instruments

Model: MEA-REE-01669

Availability: In Stock

Description

The REED R1050-KIT Safety Test Lead Kit bundles a set of flexible test leads with shrouded banana plugs, large toothed alligator clips, sharp-point test probes, and a soft carrying case. Rated CAT III 1000V, it is built for safe, reliable electrical testing with standard 4mm-plug multimeters and instruments. A compact, ready-to-go accessory kit for electricians and technicians.
