Reed R3530-Kit Conductivity/Tds/Salinity Meter Kit W/Conductivity Solution

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R3530-Kit Conductivity/Tds/Salinity Meter Kit W/Conductivity Solution

Manufacturer: Reed Instruments

Model: MEA-REE-01688

Availability: In Stock

Description

The REED R3530-Kit is a pen-style 4-in-1 meter that measures conductivity, total dissolved solids, salinity, and temperature on a dual LCD display, bundled with a conductivity standard solution for probe calibration. It offers data hold, min/max capture, automatic temperature compensation, and an IP57-rated housing for field use. A practical choice for water conditioning, aquarium care, wastewater checks, and beverage production.
