Reed R4700sd-Kit Data Logging Environmental Meter With Power Adapter And Sd Card

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R4700sd-Kit Data Logging Environmental Meter With Power Adapter And Sd Card

Manufacturer: Reed Instruments

Model: MEA-REE-01693

Availability: In Stock

Description

The REED R4700SD-Kit is a 6-in-1 data-logging environmental meter bundled with a 16GB SD card and AC power adapter, capturing air velocity, ambient and contact temperature, relative humidity, and light level in one device. It features data hold, min/max tracking, and a backlit display, with optional sound-level measurement via a separate adapter. Well suited for meteorological stations and general environmental monitoring work.
