# Reed R5055-Kit Clamp Meter W/Flex Clamp

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Reed R5055-Kit Clamp Meter W/Flex Clamp

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-01694

**Availability:** In Stock

## Description

A True RMS AC/DC clamp meter bundled with an 18-inch flexible current probe for reaching tight or crowded conductors. Measures voltage, current, resistance, frequency, capacitance and contact temperature up to 1000V/1000A, extending to 3000A AC with the flex probe. Includes a backlit display, min/max recording, non-contact voltage detection and a built-in flashlight for fast electrical diagnostics.
