Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R6250sd-Kit2 Data Logging Heat Stress Meter With Tripod, Sd Card And Power Adapter

Manufacturer: Reed Instruments

Model: MEA-REE-01699

Availability: In Stock

Description

The same OSHA-recommended WBGT heat stress data logger as the standard kit, but expanded with a tripod for stable long-duration outdoor or job-site monitoring. Tracks temperature, humidity, and direct/radiant sunlight to compute the feels-like heat stress index, logging continuously to the included SD card. Comes complete with the tripod, 16GB SD card and AC power adapter for extended unattended deployments.
