Reed R8070sd-Kit Data Logging Sound Meter With Adapter And Sd Card

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8070sd-Kit Data Logging Sound Meter With Adapter And Sd Card

Manufacturer: Reed Instruments

Model: MEA-REE-01703

Availability: In Stock

Description

This kit pairs the REED R8070SD data logging sound level meter with a 16GB micro SD card and AC power adapter for straightforward long-term noise monitoring. It meets IEC 61672-1 Type 2 accuracy standards and logs readings automatically at sampling intervals from 1 to 3600 seconds, or manually up to 99 readings. Logged data exports directly as an Excel file, no special software required, making it a practical choice for safety inspections and industrial maintenance checks.
