Reed R9910sd-Kit Data Logging Indoor Air Quality Meter With Power Adapter And Sd Card

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9910sd-Kit Data Logging Indoor Air Quality Meter With Power Adapter And Sd Card

Manufacturer: Reed Instruments

Model: MEA-REE-01709

Availability: In Stock

Description

The REED R9910SD-KIT is a data-logging indoor air quality meter capable of monitoring three probes at once, covering oxygen, CO2, carbon monoxide, temperature, humidity, dew point, and wet-bulb readings. The kit includes an AC power adapter and a micro SD card, so recorded sessions can be exported straight to Excel without special software. It's built for facilities teams checking IAQ in schools, offices, hotels, and hospitals.
