Reed R7100-Funnel Replacement Funnel Tip For R7100

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7100-Funnel Replacement Funnel Tip For R7100

Manufacturer: Reed Instruments

Model: MEA-REE-01716

Availability: In Stock

Description

A replacement funnel-shaped contact adapter tip for the REED R7100 combination contact/laser photo tachometer. It attaches to the tachometer's contact shaft to take rotational speed readings from recessed or funnel-shaped drive points. A handy spare to keep on hand if the original tip is lost or worn out.
