Reed R7100-Shaft Replacement Shaft For R7100

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7100-Shaft Replacement Shaft For R7100

Manufacturer: Reed Instruments

Model: MEA-REE-01717

Availability: In Stock

Description

Genuine REED replacement shaft extension adapter for the R7100 combination contact/laser photo tachometer. It restores the tachometer's contact-measurement capability once the original shaft wears out or is lost, and works with the separate cone or wheel adapters.
