Reed R7100-Tip Replacement Cone Tip For R7100

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7100-Tip Replacement Cone Tip For R7100

Manufacturer: Reed Instruments

Model: MEA-REE-01718

Availability: In Stock

Description

Genuine REED replacement cone-tip contact adapter for the R7100 tachometer. It attaches to the tachometer's shaft to enable direct-contact RPM readings on small rotating shafts and spindles. A simple, low-cost accessory for replacing a worn or missing tip.
