Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7100-Tipl Replacement Large Cone Adapter For R7100

Manufacturer: Reed Instruments

Model: MEA-REE-01719

Availability: In Stock

Description

Genuine REED replacement large-diameter cone adapter for the R7100 tachometer. Designed for taking direct-contact RPM measurements on larger shafts and spindles where the standard cone tip is too small. Fits the same shaft assembly as the other R7100 contact accessories.
