Reed R7100-Wheel Replacement Measuring Wheel For R7100

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7100-Wheel Replacement Measuring Wheel For R7100

Manufacturer: Reed Instruments

Model: MEA-REE-01720

Availability: In Stock

Description

Genuine REED replacement measuring wheel adapter for the R7100 tachometer. It converts the tachometer for surface-speed measurement by rolling against a moving surface such as a conveyor belt or roller. A durable accessory replacement for a worn or missing wheel.
