Reed R1020-Fuse Replacement Fuse For R1020 Test Leads

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1020-Fuse Replacement Fuse For R1020 Test Leads

Manufacturer: Reed Instruments

Model: MEA-REE-01731

Availability: In Stock

Description

A pack of replacement fuses sized specifically for REED's R1020 and FC-300 fused test lead sets. Swapping in a fresh fuse after one blows restores the leads' overload protection without needing to replace the whole set. A cheap, essential spare to keep in your kit.
