

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

# Reed R1100 Test Probe Set

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-01732

**Availability:** In Stock

## Description

A pair of general-purpose test probes (one red, one black) with banana-style spring contacts, designed for plugging into other banana-jack receptacles rather than piercing wire. Nickel-plated brass tips and a CAT III 1000V/10A rating make them suitable for everyday electrical troubleshooting, and protective tip caps are included for safe storage.
