

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1210 Safety Alligator Clips

Manufacturer: Reed Instruments

Model: MEA-REE-01738

Availability: In Stock

Description

A red-and-black pair of alligator clips with toothed jaws sized for gripping fine wires, each about 1 inch at the jaw and roughly 4 inches long overall. They carry a dual safety rating of CAT III 1000V and CAT IV 600V at 10A, suiting them to more demanding electrical test environments.
