Reed R1220 Alligator Clip Set

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1220 Alligator Clip Set

Manufacturer: Reed Instruments

Model: MEA-REE-01739

Availability: In Stock

Description

A compact alligator clip set with flexible insulated boots and a smaller 0.4-inch jaw opening, designed to accept standard 4mm test lead plugs. Rated 1000V/10A and CAT III 1000V, these are a lighter-duty, general-purpose option for everyday electrical testing.
