Reed R3000sd-Kit Data Logging Ph/Orp Meter With Ph & Orp Electrodes

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R3000sd-Kit Data Logging Ph/Orp Meter With Ph & Orp Electrodes

Manufacturer: Reed Instruments

Model: MEA-REE-01756

Availability: In Stock

Description

This bundle pairs the R3000SD data-logging pH/ORP meter with a general-purpose pH electrode and a dedicated ORP electrode, ready to start testing out of the box. The meter itself logs pH (0.00-14.00) and ORP (+/-1999 mV) to an SD card at adjustable sampling intervals and offers manual or automatic temperature compensation. Housed in a carrying case with batteries included, it suits aquarium care, wastewater checks, and beverage or general lab pH work.
