Reed R3100sd-Kit Data Logging Conductivity/Tds/Salinity Meter W/ Sd Card, Power Adapter & Conductivi

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R3100sd-Kit Data Logging Conductivity/Tds/Salinity Meter W/ Sd Card, Power Adapter & Conductivi

Manufacturer: Reed Instruments

Model: MEA-REE-01760

Availability: In Stock

Description

This kit rounds out the R3100SD conductivity/TDS/salinity meter with a 16GB micro SD card and adapter, a 110V AC power adapter, and a 1413 uS conductivity standard solution for on-site calibration checks. The meter logs conductivity, TDS, and salinity readings automatically at user-set sampling rates with temperature-compensated accuracy. Aimed at continuous monitoring tasks such as aquarium care, wastewater treatment, and beverage or water-conditioning production lines.
