# Reed R3500-Kit Ph Meter With 4ph & 7ph Buffer Solutions

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Reed R3500-Kit Ph Meter With 4ph & 7ph Buffer Solutions

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-01761

**Availability:** In Stock

## Description

Handheld pen-style pH meter kit bundled with 4.01 and 7.00 pH color-coded buffer solutions for calibration. Covers a 0-14 pH range with a replaceable electrode, dual display, automatic temperature compensation, and auto power-off, and ships in a hard carrying case with batteries included. Suited to general water testing, aquariums, wastewater checks, and beverage production.
