# Reed R3525 Ph Mv Meter W/Temperature

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Reed R3525 Ph Mv Meter W/Temperature

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-01762

**Availability:** In Stock

## Description

Handheld pH/mV meter that reads pH or millivolts alongside temperature on a dual LCD display. Its microprocessor auto-recognizes standard buffer solutions and supports 3-point calibration for accuracy, with automatic temperature compensation, a replaceable electrode module, and a protective rubber holster. Runs on a 9V battery (AC adapter sold separately) and can be used handheld or wall-mounted, with selectable C/F readout.
