Reed R3525-Electrode Replacement Ph/Orp Electrode For R3525

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R3525-Electrode Replacement Ph/Orp Electrode For R3525

Manufacturer: Reed Instruments

Model: MEA-REE-01776

Availability: In Stock

Description

A combination pH electrode with a built-in temperature sensor, made as a direct replacement for the REED R3525 pH/mV meter. It terminates in a 1-meter (39-inch) cable with a plug-and-play 3.5mm connector for quick swaps, and is rated for roughly ± 0.01 pH accuracy alongside $\pm 0.2^\circ\text{C}$ temperature accuracy.
