Reed R3530-Electrode Replacement Conductivity/Tds/Salinity Meter Electrode For R3530

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R3530-Electrode Replacement Conductivity/Tds/Salinity Meter Electrode For R3530

Manufacturer: Reed Instruments

Model: MEA-REE-01777

Availability: In Stock

Description

Copper-bodied replacement electrode for the REED R3530 conductivity/TDS/salinity meter, covering conductivity, TDS, salinity, and temperature readings in one probe. It's designed as a drop-in swap for meters that have worn out their original sensor, with REED's standard one-year warranty on the part.
