Reed R9910sd-Co Replacement Co Probe For R9910sd & Sd-9901

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9910sd-Co Replacement Co Probe For R9910sd & Sd-9901

Manufacturer: Reed Instruments

Model: MEA-REE-01781

Availability: In Stock

Description

A plug-in replacement carbon monoxide sensing probe built for the REED R9910SD and SD-9901 air quality data loggers. Swaps in directly when the original CO probe wears out or drifts out of calibration, restoring full CO monitoring without replacing the whole meter. Compact rod-style probe roughly 6 inches long, matching the original equipment form factor.
