Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R4700sd-Sound Sound Level Meter Adapter For R4700sd & Sd-9300

Manufacturer: Reed Instruments

Model: MEA-REE-01799

Availability: In Stock

Description

Plug-in sound level adapter that upgrades the REED R4700SD or SD-9300 environmental meter into a Class 2 sound level meter conforming to IEC 61672. It offers three switchable measurement ranges (30-80 dB, 50-100 dB, and 80-130 dB) with roughly ± 3.5 dB accuracy, letting technicians add acoustic monitoring to a meter they already own instead of buying a dedicated sound meter.
