Reed R5110 Ac Voltage Detector with Flashlight, 1000v

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5110 Ac Voltage Detector with Flashlight, 1000v

Manufacturer: REED INSTRUMENTS
Model: MEA-REE-01802
Availability: In Stock

Description

Pen-style non-contact AC voltage detector with a built-in flashlight, sized for a shirt pocket with its integrated clip. It has two sensitivity settings to flag both low-range wiring (24-1000V) and standard high-range circuits (90-1000V), signaling live voltage with a combination of LED light and audible buzzer, and carries a CAT IV 1000V safety rating with double-insulated housing for added protection during panel and outlet checks.
