Reed R5110-10pk Ac Voltage Detector with Flashlight, 1000v, 10-pack

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5110-10pk Ac Voltage Detector with Flashlight, 1000v, 10-pack

Manufacturer: REED INSTRUMENTS

Model: MEA-REE-01803

Availability: In Stock

Description

Same pen-style non-contact AC voltage detector as the single R5110, sold as a 10-unit bulk pack for electrical contractors, training programs, or teams that need to equip multiple technicians at once. Each unit retains the dual-range detection (24-1000V low / 90-1000V high), built-in flashlight, audio/visual alarm, and CAT IV 1000V rating.
