

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R2160 Thermal Imager, 160x120

Manufacturer: Reed Instruments

Model: MEA-REE-02855

Availability: In Stock

Description

A handheld thermal imaging camera with a 160x120 (19,200-pixel) sensor covering -10C to 400C, shown on a 2.8 in color screen with a choice of five palettes and automatic hot/cold spot marking. The IP65-rated housing is double-molded and drop-rated to about 2 meters, and it stores images to a microSD card for later review or reporting via the bundled analysis software.
