Reed R2160-NIST Thermal Imager Camera, 160x120 W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R2160-NIST Thermal Imager Camera, 160x120 W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02856

Availability: In Stock

Description

Same 160x120 thermal imaging hardware as the standard R2160 -- IP65 housing, 2.8 in color display, five color palettes, -10C to 400C range -- but supplied with a NIST-traceable calibration certificate for facilities that need documented instrument accuracy for audits or compliance records.
