Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1640-KIT2 Thermocouple Thermometer, 2-ch, Bluetooth Smart Series W/ 4 Type K Thermocouple And Case

Manufacturer: Reed Instruments

Model: MEA-REE-02872

Availability: In Stock

Description

The REED R1640-KIT2 pairs the 2-channel Bluetooth Smart Series thermocouple thermometer with four different Type-K probe styles -- surface, air/gas, immersion, and needle-tip -- housed in a rugged hard carrying case for varied field applications. It retains the base unit's -328 to 2501F range and Bluetooth 5.0 data logging to the REED Smart Series app.
