Reed R1610-NIST Thermo-Hygrometer, Bluetooth Smart Series W/Calibration Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1610-NIST Thermo-Hygrometer, Bluetooth Smart Series W/Calibration Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02888

Availability: In Stock

Description

The REED R1610 is part of REED's Smart Series line, pairing a backlit handheld thermo-hygrometer with Bluetooth 5.0 so readings can be viewed and logged live on a phone app, up to six units at once. Its swiveling probe head and magnetic/tripod-ready body suit both handheld spot checks and mounted continuous monitoring, covering -20 to 60C (-4 to 140F) and 0-100% RH. This listing bundles the instrument with a calibration certificate for traceable accuracy.
