

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R6210 Heat Stress Meter, Personal

Manufacturer: Reed Instruments

Model: MEA-REE-02896

Availability: In Stock

Description

Compact, lightweight WBGT meter built for wearable personal heat-stress monitoring, with a flexible armband and tripod mount for hands-free use in the field. It displays WBGT, ambient temperature, humidity and black globe temperature together, runs roughly 500 hours on a single CR2032 coin cell, and weighs under 3 ounces, making it suited to quick individual exposure checks rather than fixed-site monitoring.
