Reed R6210-NIST Heat Stress Meter, Personal W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R6210-NIST Heat Stress Meter, Personal W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02897

Availability: In Stock

Description

The REED R6210 is a compact handheld WBGT heat-stress meter that tracks air temperature, humidity, and black-globe temperature to compute an OSHA-referenced heat-stress index. Its backlit LCD shows three readings at once and includes color-coded caution/danger indicators plus a user-adjustable audible alarm, with a flexible armband and tripod mount for hands-free monitoring. This listing includes an add-on NIST-traceable calibration certificate for documented accuracy.
