Reed R6013-NIST Pin Moisture Detector W/Nist Cert

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R6013-NIST Pin Moisture Detector W/Nist Cert

Manufacturer: Reed Instruments

Model: MEA-REE-02902

Availability: In Stock

Description

The REED R6013 is a pocket-sized pin-type moisture meter that uses replaceable contact pins to measure moisture content in wood (6-44%) and in building materials such as drywall, plaster, concrete, and cardboard (0.2-2.0%). It has an LCD bargraph display, auto power-off, and a belt clip for quick spot-checks on job sites. This listing includes an add-on NIST-traceable calibration certificate for documented accuracy.
